

Christmas Stocking Wish List, 2011

We estimate that we'll need to stuff over 300 stockings!

Please note that all gifts need to be new (not used.)

Everything needs to be small enough to fit inside a Christmas stocking.

Not able to shop or want to save on shipping costs? Please consider sending Wal-Mart/Target gift cards so we can make sure each stocking is equitable. Deadline for this project is November 10th, 2011. Thank You!
