

Lynell and friend, Toni

Although just 20 years old, Lynell Wright is such a great blessing to the team of Arizona Reservation Ministries, and the kids and teens of San Carlos through our Church Bus! She had been volunteering regularly since the winter of 2010 with her sister, Faye, and the rest of the ARM Bus team on a regular basis; taking attendance, playing with kids or simply taking the time to talk to someone that needed a kind and listening ear. Friendships have been formed and are incredibly strong between Lynell and those who attend the Church Bus, needing a "big sister" who loves Jesus and them.

In May of 2010, Lynell decided it was time to look into officially join the ARM team, applying and interviewing to help in even greater ways. The consistency of her presence in four neighborhoods each week is a great example to kids just a few years younger than her. As she attends our team meetings each week, her willingness to offer suggestions and then volunteer to assist in presenting a portion of the week's lesson shows a growing maturity and willingness to serve as God leads. Lynell has also offered to clean ARM's offices on a regular basis. Her enthusiastic, "I will!" has been such a blessing to all of us!

Lynell's hourly wages are currently paid through ARM's general funds. We ask that you would pray for our general funds to always have enough on hand to pay for her invaluable assistance. If interested in helping to offset those wages, we would be most grateful! Lynell is serving in a critical position. The evil one would like nothing better than to keep her from serving Christ as His daughter on the Reservation. What Lynell most needs are prayer warriors. If interested in being Lynell's partner through prayer, please let us know so that we can share that great news with her!

Please keep Lynell in prayer as she begins the process to return to classes part-time to obtain her GED. Having that degree would be such a blessing to her self image, and open doors that perhaps the Lord might plan in the future for her.

In the meantime, thank you for reading about Lynell...a precious member of the ARM team.
