

Mike Roman

began working with Arizona Reservation Ministries in the summer of 2010. Born in New York, New York he moved to the San Carlos Apache Reservation when he was nine years old. Mike was looking for a summer job and was introduced to ARM through his friend Macaiah. Since then, he has been an irreplaceable team member. At 20 years of age he has shown an excellent work ethic and great commitment and reliability.

His main responsibility in working with ARM is construction and working with the groups that come and volunteer. He has become extremely knowledgeable in building houses and helps in overseeing the volunteer groups on the work site. Currently, Mike is learning fire science and is on his way to become a full time firefighter. Please pray for him as he prepares for his future.

ARM has three Apache young men on staff that we call the A-Team; consisting of Macaiah, Guy, and Mike. Twice now, ARM has had to lay off the A-Team due to lack of sufficient funds. Once, the guys continued working with ARM as full time volunteers. The second time, Amor Ministries was able to hire and pay them for the months that ARM was unable. All three of them are paid from ARM's general funds.

Would you please pray and consider supporting Mike, joining in God's work and enabling Mike to be God's hands and feet on the Reservation? Please pray for him as he does God's work and willingly sets an example for younger men out on the Reservation.

Thank you for reading about our friend and team member, Mike Roman.
