## Arizona Reservation Ministries

Arizona Reservation Ministries was established in April of 2002 to provide "God's ARMs around the reservation." A.R.M. exists to make disciples of the Native American People, empowering them to meet the physical and spiritual needs of their community, motivating them to become active members of local Bible-based churches. A.R.M. assists brothers and sisters on the reservation in many ways:

- Leading kids and teens on our mobile ministry centers to Apache churches for further discipleship.
- Families are developing relationships with A.R.M. staffs well as the Lord through their children and through Apache churches.
- Tribal agencies have encouraged weekly visits and Bible Studies, as those in leadership of these agencies are, themselves, committed Believers.
- Assisting Apache churches with building maintenance, presenting VBS programs and leading Sunday School classes in partnership with Apache church members.

# Meet Charlie and Debbie

Charlie Lucero grew up in Alamosa Colorado, met and married the love of his life from high school. He has 24 years experience in the propane industry and for the last 8 years the Lord has been training him as a chef doing banquets and special events at Grace Church of East Mesa where he served as Deacon of Fellowship, member of the mission's committee and later as an Elder.

Debbie Lucero grew up in Alamosa Colorado.

She has 20 years experience in accounting, management and organizational process flow. Debbie felt God's call to the mission field after taking the World Wide Perspectives course. She has volunteered in her church as a

Deaconess, member of the Mission's committee and on the fellowship team in hospitality.

Charlie Lucero first visited Arizona Reservation Ministries in Globe as a member of the missions committee for Grace Church of Mesa, AZ, researching short-term opportunities for the church. During this trip his heart was touched by the Apache people he prayed for on the prayer journey and the missionaries serving there.

Later he and his wife, Debbie, participated in two short-term work teams that went to assist on projects for the ministry. During the last visit it became known that ARM no longer had a cook and the current director was trying to take it on herself. The Lucero's both recognized God calling Charlie to fill this gap. Charlie volunteered to come up and cook for the work teams during the month of April, 2008.

Debbie took a week off from work and helped in the kitchen and spent time on the kid's bus assisting staff members with craft projects and playing with the children. God quickly made it apparent that this was the calling the Lucero's had been waiting and praying for over the last 18 months. The staffing needs for ARM included a cook and an accountant. It was a perfect fit!

The Luceros have two grown children: Charles (1972) and Candice (1973). They have also been blessed with three grandchildren: Ryan (1997, Riley (2005) and Caleb (2008).

Please pray for Charlie and Debbie as they step out in faith to be obedient to God and to pursue his plan for their life.

## Join the Team

Charlie and Debbie would love you to join their team. As they minister it is important to have a team around them who can assist with their needs, encourage them, share their experiences and share in the joys of reaching those on the reservation with the love of Christ. Below are some of the ways you can partner with the Luceros:

### Financial Support

As full time missionaries, Charlie and Debbie are responsible to raise all of their living expenses. Housing, food, utilities, insurance and all other expenses they will need are provided by God as He directs others to partner with the Luceros through monthly support and one-time gifts.

### Prayer Team

Oswald Chambers once said, "Prayer is not the preparation for the work, it IS the work." Charlie and Debbie covet your prayers more than any need you can help meet. You can request to be a part of their prayer team and receive regular emails about how you can pray for the Luceros and the work on the reservation.

### Share the Experience

You can partner with the Luceros by coming on a short-term mission trip to the reservation and see first hand how God is working through them and your support. Short term trips are a great way to see another culture through the eyes of Jesus.

### Speaking Opportunities

You can invite Charlie and Debbie to speak at your church or small group about their ministry.

If you would like to partner with Charlie and Debbie in any of these ways or receive a newsletter from them, please fill out the back side of this page and return it to address listed.
