## Arizona Reservation Ministries

Was established in March of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, children's and youth ministries from our Mobile Ministry Center, hosting prayer journeys around the Reservation with visitors from across the US, partnering with Apache-led churches and Tribal agencies, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters, in the ministries God has placed them in within the Reservation, but to also fill *this* ministry with Native Team members. Of the 12 on our team today, three are from the San Carlos Apache Nation. One member of our Board of Directors come from this Reservation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation. We fully believe in the power of prayer and pray often. We have witnessed innumerable miracles as God has guided and provided for this ministry and the needs of the San Carlos Apache Nation! What we honestly need most is **your** prayers. Thanks for reading about us, and thank you for praying!

## We need your help! ♦♦♦♦♦

*Rob and Christy are supporting their family of four through complete faith in Christ for any funds as they serve full-time through Arizona Reservation Ministries. In order to pay their bills and care for their family, we are praying for others to join in becoming a partner with them. That partnership could be financial, or perhaps simply through prayer. Having someone pray daily for them would be a precious gift, too! As they honestly serve in a spiritual "warzone," your partnership would be a blessing!*

# The Day Family

The adventure for the Day family began in 2008. It was then, that Rob went on his first short-term ministry trip. Heading four times to Puerto Peñasco, Mexico and once to Fiji since 2008, each trip changed him in a different way, and tugged his heart to do more.

In 2012, while on a trip to Mexico with his wife, Christy, Rob approached the founders of Amor Ministries, with whom he had served on these Mexican Mission Trips. He was ready to serve full-time as a Missionary! He knew two things: He loved God...and he loved serving God's people. Through subsequent conversations, Rob accepted a position helping build houses on the San Carlos Apache Reservation in Arizona.

From January of 2012, Rob served Christ through Amor Ministries, watching as his children; Jayde (2003) and Joseph (2006)

eagerly wanted to serve alongside their dad. While Rob focused on building homes, relationships were built with those of the San Carlos Apache Nation as well. Oftentimes, it was Jayde or Joseph whose smiles and tender hearts opened the doors for these friendships to begin. Christy contributed to the ministry as well, serving in many capacities as needed.

In September of 2014, Amor Ministries announced that they would be ceasing

their home-building in San Carlos. This news was devastating to Rob, as there were still several homes under construction and many lives that would be affected by that decision. Rob was offered two positions within that ministry; both would take him away from San

Carlos...the place God had clearly called him to serve. Although the decision was indeed faith-stretching, the Day family agreed to remain in Globe/San Carlos and watch as God would continue to lead them.

Arizona Reservation Ministries has been providing 'God's ARMs around the Reservation' in San Carlos since 2002. Several years ago, they recognized the critical need for homes on this Reservation and began building homes as well as relationships with the People of the San Carlos Apache Nation. It was through their recognition of this need that Amor began their home-building in January of 2010. Two ministries would be building homes...more families would be removed from overcrowded or substandard housing conditions. When the Day family arrived through Amor, the team of ARM observed the faithfulness and dedication of the Day family. ARM was in need of a Construction Manager...and the Day family wanted to continue to build homes

in San Carlos. God truly works everything for His Great Purposes.

As Rob joined Arizona Reservation Ministries, he became the Construction Manager, overseeing new construction of homes and other buildings, and coordinating repairs to existing structures. As this new adventure unfolds, it will be the families of those who are touched first-hand by the ARMs of the Days who will most benefit from their partnership in this ministry.

While change can cause anxiety, the change to join ARM has been a tremendous blessing! While Rob shares his God-given talents of construction, he also has many opportunities to share about his first love-God! No matter how many homes are built, or structures repaired, sharing his testimony and his love for Jesus with others will always be his first priority.

Rob, Christy, Jayde and Joseph are serve the Lord individually, and as a family! Relationships with each one are flourishing as they work alongside visiting teams creating homes, photographing their labors, as well as many special events ARM is blessed to hold. Working on our Backpack and Christmas Stocking Projects, helping in our offices, or on the Church Bus...we thank God for them! Truly, their ARMs are a blessing!
