2017 Backpack Project

For the past twelve years, it has been so fun to serve as God's ARMs in providing backpacks and school supplies to students of the San Carlos Apache Reservation! Before school began in 2016, we provided over 1,200 students with the supplies they needed to start a new school year, as well as other supplies to the schools, and Reservation Churches! This project is much larger than what can be accomplished without your help! Thanks for helping, thanks for praying, and thanks for spreading the word!
