

Joining the Team of Arizona Reservation Ministries

Join us in providing
**'God's ARMS Around the
Reservation'!**

Arizona Reservation Ministries

Was established in April of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical and spiritual needs of their community, motivating them to become active members of Apache-led, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, children's and youth ministries from our Mobile Ministry Center, hosting prayer journeys around the Reservation with visitors from across the US, partnering with Apache-led churches and Tribal agencies, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters, in the ministries God has placed them in within the Reservation, but to also fill *this* ministry with Native Team members. Of the 12 on our team today, three are from the San Carlos Apache Nation. One member of our Board of Directors comes from this Reservation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation. We fully believe in the power of prayer and pray often. We have witnessed innumerable miracles as God has guided and provided for this ministry! What we honestly need most is **your** prayers. Thanks for reading about us, and thank you for praying!

Considering joining the ARM Team?

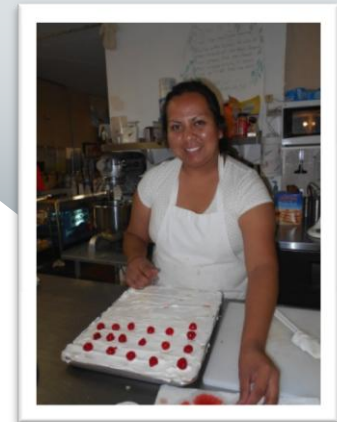

- ◆ We are **most** concerned that each team member exemplifies strong Christian attributes (i.e. the fruit of the Spirit.)
- ◆ Your spiritual life must be healthy. Maintaining regular attendance with a Bible-based church and daily quiet times is essential. You **will** be entering a cross-cultural setting where the evil one is incredibly active.
- ◆ Marriages must be healthy.
- ◆ All family members must be in agreement in order to peacefully relocate to this mission field.
- ◆ You would need to coordinate a visit with our ministry, both to see how each area works, and to allow the ARM team the opportunity to meet you. An initial interview with the Executive Directors would occur during this visit. At this visit, you would gain information in order to create a budget for yourself/family.
- ◆ An application for employment must be submitted prior to your visit.

Checklist:

- Present your completed application.
- Submit a budget for your living expenses (ARM provides ½ health insurance premiums 3 months after date of hire for full-time team members that are not already covered with other insurance and ½ your Social Security taxes.)
- Once home, the ARM team will provide feedback regarding your compatibility.
- You must raise 75% of your pre-approved budgeted needs prior to arrival. ARM will be happy to assist with brochures regarding this ministry and advice on support-raising.

This ministry understands that the best ones to reach Native Americans for Jesus Christ are other Natives. For this reason, the above-mentioned policies would be considered individually as the Lord calls Natives to join the ARM Team.

Home base for this ministry with those of the San Carlos Apache Nation is located in the copper-mining town of Globe, Arizona. The closest mall is currently one hour west of us. The Phoenix Airport is under two hours west of Globe. We do, however, have a smaller-sized WalMart, a Dairy Queen, a McDonald's and other places to eat and shop. Temperatures are typically ten degrees cooler than those of Phoenix. God has opened **many** opportunities for ministry. The need for additional Team Members is tremendous!

Current Team Needs:

Please pray for the Lord to send faithful followers of Christ to work in unity with our existing Team as:

- Church Bus driver
- Children's Ministries Team Members
- Youth Ministers
- Bookkeeper & basic office worker
- A delivery person to pick up donated items from the areas surrounding the Reservation and distribution as directed.
- Construction Crew member
