'God's ARMs Around the Reservation'

Arizona Reservation Ministries

Was established in March of 2002 to provide 'God's ARMs around the Reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, children's and youth ministries from our Mobile Ministry Center, hosting prayer journeys around the Reservation with visitors from across the US, partnering with Apache-led churches and Tribal agencies, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters, in the ministries God has placed them within the Reservation, but to also fill *this* ministry with Native Team members. Of the 12 on our team today, three are from the San Carlos Apache Nation.

One member of our Board of Directors comes from this Reservation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation. We fully believe in the power of prayer and pray often. We have witnessed innumerable miracles as God has guided and provided for this ministry and the needs of the San Carlos Apache Nation! What we honestly need most is your prayers. Thanks for reading about us, and thank you for praying!

We need your help! ? ? ? ? ?

Kevin is currently walking by faith, trusting God to meet his needs as he prepares to serves full-time through Arizona Reservation Ministries. In order to pay his bills, he is praying for others to join in becoming a partner with him. That partnership could be financial, or perhaps simply through prayer. Having someone pray daily for him would be a precious gift, too, as he will be serving in a spiritual "warzone," your partnership would be a blessing!

Kevin's Chronicles

Kevin's journey to ARM truly began in 1995 at the age of seven when he had a dream about being in "a desert full of green" and heard a voice tell him to "go forth."

Not yet knowing all that God had in store, Kevin put his dream aside, but continued to feel God's call on his life. By 2016 Kevin had completed a preaching certification course, served as a children's minister and led an in-home Bible study, all while working a 'day job' at a local public library.

In June of 2016 Kevin felt God's call to full time ministry and began to pray for direction. This prayer was answered with a clear call to go to Arizona and after a quick internet search, Kevin found the desert of green from His dreams on the San Carlos Apache Reservation.

Soon after, God provided an opportunity for Kevin to visit ARM as part of a Short Term Ministry Team from New Albany Indiana. During this trip, the ARM Team realized Kevin's willingness and desire to

serve. It was on the Church Bus that his heart for the

Apache People was most evident. These missionaries had been praying for someone to join in the critical area of Children's and Youth Ministries. After a week of intensive prayer by both Kevin and the ARM team, it was clear Arizona Reservation Ministries had found their newest team member, and Kevin had found his home.

Kevin and two friends made the 1,630 mile trek from Indiana in April of 2017. These two friends helped bring his home with him. He's residing in that RV, now serving full-time

through ARM working primarily in Children's and Youth Ministries on the Church Bus.

As part of the 'Bus Team', Kevin is quickly becoming a familiar face to the children of San Carlos. Whether teaching a lesson, joining in craft time or playing a game of tag, Kevin's eagerness to help and desire to share God's love with all the kids and teens who regularly attend their Church Bus has already made him a welcome addition to the bus ministry.

Outside of the weekly Bus visits, special activities such as Family Fun Days, Carnivals, and Baptism Celebrations are regular occurrences.

Kevin has arrived in time for our biggest annual projects: Our Backpack Project before school resumes each year, and our Christmas Stocking/Fleece Blanket Project in December. His ARM's are sure to be a blessing for these as well!

In addition to the bus ministry Kevin provides occasional assistance to the construction/house-building & maintenance ministries of ARM, under the guidance and supervision of the Construction Team.

Though admittedly more accustomed to using a glue stick than a sledge hammer Kevin tries to use every opportunity he's given to serve God. No matter if he's wearing a hard hat or making a macaroni craft, his main focus is always sharing God's love.

This 'Heart rock' was found outside Kevin's RV.
