

# Serving an Internship with Arizona Reservation Ministries

Join us in providing  
'God's ARMs Around the Reservation'!

## Arizona Reservation Ministries

Was established in March of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical, emotional and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, children's and youth ministries, hosting prayer journeys around the Reservation with visitors from across the US, partnering with Apache-led churches and Tribal agencies, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters, in the ministries God has placed them in within the Reservation, but to also fill *this* ministry with Native Team members. Of the nine on our team today, three are from the San Carlos Apache Nation. We have others we're hoping to hire soon; simply waiting for others to catch this vision and assist with their monthly support! One member of our Board of Directors comes from this Reservation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation. We fully believe in the power of prayer and pray often. We have witnessed innumerable miracles as God has guided and provided for this ministry! What we honestly need most is **your** prayers. Thanks for reading about us, and thank you for praying!

# ARM's Interns Are a Great Blessing! ♥♥♥

## Working with Christian Universities' Internship Programs

We are excited to be equipped to meet the needs of Christian University students that must complete an internship in order to finish their degree! Within the ARM team are two Christian University graduates (one with a BA and one with a Master's Degree) who can mentor you as you add hands-on ministry to your on-line studying. Simply

contact us about your interest in serving in such an incredible adventure so that God can teach you many lessons that would be impossible in the classroom.

## Typical Internships with ARM

The majority of those the Lord has sent to join their ARMs with ours in ministry have simply come because they felt the Lord leading them to do so. These interns come for as little as a few weeks to several months to help in innumerable ways alongside our ARM team. Internships occur year-round!

## What We Expect...

- ◆ Must attend church/worship on a weekly basis.
- ◆ Must maintain a daily personal Bible study and prayer time.
- ◆ Meet weekly with your Internship Mentor to discuss goals and progress
- ◆ Be a self-starter, able to serve without constant supervision.
- ◆ An attitude of servanthood and flexibility.
- ◆ Attend all scheduled meetings.
- ◆ Participate in preparing and leading Bible lessons as part of the ARM team.
- ◆ Participate in various physical tasks, probably including construction and benevolence projects.
- ◆ Understand and support the ministry of Arizona Reservation Ministries.

## What to Expect

Each day will hold unexpected experiences! Working on the San Carlos Apache Reservation to meet physical, emotional and spiritual needs of our spiritual siblings from this truly **cross-cultural mission field** is challenging, labor-intensive, and faith-stretching. The tasks are many! You will be working alongside visiting Short-Term Ministry Teams, building homes for the homeless from this Reservation, sharing Christ through Word and hugs with children and teens at least four afternoons each week, and much more! Depending upon the time of year you arrive, you would also help us organize and participate in the fun of distributing a tremendous amount of backpacks and school supplies prior to the beginning of school, or Christmas stockings and fleece blankets just before Christmas arrives.

## Logistics

During the time when God provides Short-Term Ministry Teams (which is often), you would most likely reside with them. At other times, you would be welcome to stay with the Directors in their home, with a room of your own or if appropriate, in a trailer behind ARM's offices. When the Short-Term Teams are here, your food would be provided as well.

We understand the great sacrifices made for someone to join us as an Intern! For that reason, costs are kept to a minimum. You would need to provide for your own toiletries and entertainment while here, some of your food as well as any payments you are responsible for already.

Most other expenses would be covered through ARM. A \$50.00 non-refundable application fee is required, however, when you submit your application with us.

ARM does not have a vehicle to loan you. It would be best for you to arrive with a vehicle of your own,

although this is not a requirement. For other 'basic' guidelines/dress code, etc., please review our Short-Term Ministry Packet on our website under "Ways to share/Mission Trips."

## ARM's Internship Requirements

- You must be at least 18 years of age.
- A completed application and application fee are required.
- Three letters of recommendation from any of the following: Pastor, Youth Pastor, Youth Sponsor, Mission Committee Chairman, Internship Advisor or Elder.
- A personal testimony of your Christian faith, including an explanation regarding your desire to serve an Internship with ARM.
- Funds to cover any expenses you will need while serving with us.
- If this internship is intended to earn college credit, an advisor from our educational institution must contact ARM prior to the start of the Internship.
- Prior to your arrival, we require that you read "Whose Child is This?" by Bill Wilson, "When Helping Hurts" by Steve Corbett and Brian Fikkert and "One Church, Many Tribes" by Richard Twiss so that you will have a more clear understanding regarding this ministry's focus.
- Recruit at least two prayer partners to pray daily for you who will communicate often with you.
