Volume 23 ♦ Issue 2 ♦ May, 2025

Regardless of the season, our Construction Crew is busy completing...or beginning projects as God leads on the San Carlos Apache Reservation. The Carlyle's children have been a big part of the progress of building the two-story addition to their home. Now with six children, Pros and Roxie have been sharing their small home with those in need almost from receiving the keys in 2019. In May of 2024, we started the process of enlarging their kitchen/dining area and then adding living and sleeping space. Their current living room was transformed into a bedroom for kids seeking refuge during all of this construction. Their new living room, although FAR from completed was their gathering place for Christmas. We're so grateful for those who came this past year to help us work on this project, which is nearing completion!

Luther ("Chopper") Morgan is the son of an evangelist, and has been serving Christ for many years, traveling and proclaiming the Salvation of Jesus Christ across the U.S. We recall one spring when he held a 100-day revival at another church on the Reservation. The testimonies were innumerable of those who were freed from addictions, chose to get married to long-time partners and more. In 2017, we were asked to help build a permanent structure on the Morgan family's land so that services could be held there. Grace Church in Mesa, AZ felt compelled to assist with the provision of a portion of the cost for this new sanctuary so that they could have a concrete, rather than dirt floor. They noticed the condition of the Morgan family's own home. In 2024, that church began raising funds to replace that old and decaying residence. In February of 2025, the trenches were dug for a new foundation, to become a new and safer home for this Pastor and his family. We're so excited to be able to serve as God's builders. This gift is already a great source of encouragement to Chopper, Christina and their kids! Please pray for teams to join us as we complete the Safe House, and our 40<sup>th</sup> home...this one for the Morgans.

With the constant activity of our Construction Crew, we thank God that Macaiah Hill has joined us full-time! For three years he served on our construction crew before joining the Marines, retiring in 2023.

He's also earned a position within the San Carlos Apache Tribe's Fire Department. Juggling both with a family awaiting their fourth child, means this Man of God is busy...and a blessing to many!

'God's ARMs Around the Reservation since 2002'

*We're grateful for those who provide  
so that special events can unfold!*

In April, our Boys' teen basketball team traveled twice to Las Vegas, NV to compete in tournaments with Indigenous Hoops. They won the "runners up" title and came home wearing these pants as their prize! If interested in helping fund their tournament travel, etc., simply earmark funds for that purpose.

Also in April, Lifepoint Christian Fellowship provided scholarships for six of our ladies to attend their annual women's retreat in the pines north of this ministry. What an incredible time of worship, renewal and fellowship with women from different areas and cultures but having the same Father!

On Saturday, May 3<sup>rd</sup>, a visiting team arrived with enough members to allow us to hold our first Family Fun Day of 2025. Those gathered shared a GREAT Fun Day! Two hundred bean burritos, snow cones, water balloons, memory verse challenges and so much more produced smiles, laughter...and some moments of precious praying.

We've had a busy quarter, welcoming teams who return at least once each year, as well as a few who hadn't been here in a very long time. As always, we thank God for these Short-Term Missionaries! Compass Christian Church of Chandler, AZ came for the entire week. Typically, those from Arizona arrive for shorter periods, usually missing out on helping with our weekly Children's Ministries. Their enthusiasm and assistance were a great blessing! The following week, the youth of Eastside Christian Church, Jeffersonville, IN came to share their energy and passion for praying. Providing a craft and game to coincide with our lessons to the children and teens regarding God's Army of Angels and Spiritual Warfare was great fun. A small team then came from Palm Valley Church in Goodyear and Buckeye, AZ the 28<sup>th</sup>-20<sup>th</sup> of March. A sweet mother brought her children who worked hard alongside the other adults, blessing many. Grace Church in Mesa, AZ brought others from Nuevo Union to help with the beginnings of the Morgan family's home. They returned for two days. The second day, a larger group from Lifepoint Christian Fellowship also brought additional guests, these from Christ the Victor Church, also of San Tan Valley, AZ. And then as mentioned above, a new team arrived for the day from One Life Church, Mesa, AZ. We know this sounds like we've had lots of assistance and really don't need yours, too! As we look ahead at the next quarter of 2025, two men are on the calendar in May. After that, we have NO groups planning to help us, including our Backpack Distribution Week, except for one day in July! Please keep this in your prayers. God knows the projects that need completing, the children who need our weekly visits and so much more. Perhaps God would prompt you to bring a few friends to help us!

# 2025

## For Arizona Reservation Ministries

●	♥ <b>brand-new backpacks</b> (no owl or snake prints, please)
	♥ water bottles
	♥ tissue boxes (Kleenex, etc.)
	♥ toothbrushes (individually wrapped)

	✓ pkgs. Post-it notes
●	♥ <b>We'll need over 500 of these items!</b>
	Please do not send us pencil sharpeners
	<b>We need everything by July 4th</b>

For the past twenty years, it has been so fun to serve as God's ARMS in providing backpacks and school supplies to students of the San Carlos Apache Reservation. Before school began in 2024, we were able to provide over 1,300 students with the supplies they needed to start a yet another school year. We were also able to provide remaining supplies to the San Carlos School District! **This project is much larger than what we can be accomplish without your help.**

\* To save postage costs (and multiply the amount of school supplies you can provide!) consider purchasing items online to be delivered directly to us, (If you do...please be sure to let us know so that we can thank you!) or sending funds or Walmart/Dollar Tree gift cards to:
