## Sharing Christ through Arizona Reservation Ministries

'God's ARMs Around the Reservation  
since 2002'

## Arizona Reservation Ministries...

Was established in March of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical, emotional and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, church-building, children's and youth ministries, hosting prayer journeys around the Reservation with visitors from across the U.S., partnering with Apache-led churches and Tribal agencies, the distribution of Critical Care items, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters in the ministries God has placed them in within the Reservation, but to also fill *this* ministry with Native Team members. Of the twelve on our team today, eight are from the San Carlos Apache Nation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides. We have others we're hoping to hire soon; simply waiting for others to catch this vision and assist with their monthly support.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation.

We fully believe in the power of prayer and pray often! We have witnessed innumerable miracles as God has guided and provided for this ministry! What we honestly need most is **your** prayers.

Thanks for reading about us and thank you for praying!

## We need your help! ♦♦♦♦♦

*Pros and Roxie receive a small salary from ARMs General Fund. To pay their bills and care for their family as well as many others who seek refuge within their home, we are praying for others to join in becoming a partner with them. That partnership could be financial, or perhaps simply through prayer. Having someone pray daily for them would be a precious gift. As they honestly serve in a spiritual warzone your partnership would be a blessing!*

I would like to become a partner in ministry with the Carlyle family:

☐ Through prayer ☐ through monthly financial support of \_\_\_\_\_ ☐ through gifts when able.

☐ Please accept this one-time gift to help with the support of the Carlyle family.

☐ I would like to invite the Carlyle family to share with our church! Please email/call me at: \_\_\_\_\_  
(I understand that at least a portion of the travel expenses will need to be provided by myself or others who will gather to hear what God is doing through Pros, Roxie and family, and ARM.)

# A Family's ARMs Around the Reservation

As prayers unfolded concerning the recipients of ARM's 35<sup>th</sup> home, members of

the ARM team met Pros and Roxie Carlyle. This family of seven were living with others on the eastern side of the San Carlos Apache Reservation, hoping for a home of their own. God's plans included so much more than the provision of this home!

Soon after receiving word that a home would be built for them, Prospero offered to volunteer with our team as they worked on several other projects, becoming an "unofficial" part of the ARM construction crew.

In November of 2019, the Carlyle Family received the keys to their new home! Within months, the Carlyles were precious members of the ARM team. A huge addition is being created to that home as oftentimes others seek a safe place with this family. This addition is lovingly called a "Safe House." SO...along with their tasks within this ministry, the Carlyle family also serves 24/7 as care-givers and mentors for others.

Since joining the ARM team in January of 2020, they have been incredibly busy meeting those physical needs through ARM. Pros,

Roxie and their children have distributed hundreds of thousands of pounds of food, diapers, cleaning supplies, clothing, shoes, backpacks and more to families in destitute situations.

**Pros** serves with our construction crew building homes, Apache church sanctuaries and more. He's also the "head basketball coach" for teens from the Reservation who receive basketball advice, but more importantly, mentorship in Christ as they practice and compete.

**Roxie** serves alongside Pros in coaching and mentoring these basketball teams. She's also busy enrolling kids who've taken up residence in their home, delivering food, beds and more in addition to caring for their six children! As able, Roxie also joins other ARM team members with special events, such as Family Fun Days, our Backpack Project and our Christmas Stockings and Fleece Blankets Project and spends Saturdays providing used clothing, prayers and more at a local event.

**Audreanna** officially joined the ARM team as part of our children's miniseries in June of 2024! Her presence and encouragement of these children and teens on a weekly basis is invaluable.

Each member of the Carlyle family is precious to the ARM team. Watching as each one serves, smiles and interacts with our visiting teams and those they are ministering to is a special blessing for each of us.
