Sharing Christ through Arizona Reservation Ministries

'God's ARMs Around the
Reservation 'since 2002

Arizona Reservation Ministries

Was established in March of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical, emotional and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, church-building, children's and youth ministries, hosting prayer journeys around the Reservation with visitors from across the U.S., partnering with Apache-led churches and Tribal agencies, the distribution of Critical Care items, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters in the ministries God has placed them in within the Reservation, but to also fill *this* ministry with Native Team members. Of the thirteen on our team today, nine are from the San Carlos Apache Nation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides. We have others we're hoping to hire soon; simply waiting for others to catch this vision and assist with their monthly support.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation.
We fully believe in the power of prayer and pray often!
We have witnessed innumerable miracles as God has guided and provided for this ministry! What we honestly need most is **your** prayers.
Thanks for reading about us, and thank you for praying!

We need your help! ♦ ♦ ♦ ♦ ♦

Mike receives a small salary from ARMs General Fund. To pay his bills and care for his children, we are praying for others to join in becoming a partner with him. That partnership could be financial, or perhaps simply through prayer. Having someone pray daily for him would be a precious gift. As he honestly serves in a spiritual warzone, your partnership would be a blessing!

Faithful ARMs Around the Reservation

Michael Hinton has been a dear friend of ARM for many years. In the winter of 2019, a special project required a special worker...so we reached out to Mike to see if he'd be interested in helping. One thing led to another, and he's been serving on the ARM team since then. There's no project that Mike won't tackle. Because of this, we've also discovered his artistic abilities. He's created signs letting neighbors know who we are, and in the past, our Church Bus had designation as well.

he's helped four families receive homes of their own. He's also helped other families receive the special repairs needed in order to be able to stay in their homes. Other projects include building two church sanctuaries for those from the Reservation who have been worshipping in run-down places for decades.

over 1,000 students of the San Carlos Apache Tribe.

Mike has been a tremendous help keeping the facilities of ARM cared for. He resides at the old church building that now serves as our Short-Term Ministry Dormitory, regaling visitors with stories from the Reservation including hunting treks there. The landscaping both there and on our 45-acre home site require a great deal of fire-prevention, weed control and more. Keeping control of the brush has allowed us to feel safe, even when Arizona's historically fourth largest fire caused us to evacuate our offices in the summer of 2021!

His willingness to help has become a very precious gift for the entire ARM team. He's been a big help moving building materials, donated furniture, clothing, backpacks and more. As hundreds of thousands of pounds of water, food, diapers and cleaning supplies arrive and are distributed on the San Carlos Apache Reservation, Mike is oftentimes on hand to receive these huge donations and see that they are able to be distributed by his Native team members, as well as finding homes for things others from his "home" location

on the far side of the Reservation in Bylas needed.

As Christmas unfolds he is also right

there helping distribute Christmas stockings and fleece blankets. Similar tasks are repeated each summer as backpacks are distributed as well to

We thank God for Mike, and the many ways he's blessed this ministry and each member of the team of Arizona Reservation Ministries.

Mike is a hard worker with a servant's heart. Since joining the Construction Crew of ARM,
