

Macaiah Hill

Serving Christ and building hope through Arizona Reservation Ministries

'God's ARMs Around the Reservation since 2002'

Arizona Reservation Ministries...

Was established in March of 2002 to provide 'God's ARMs around the reservation.' ARM exists to make disciples, empowering our Native brothers and sisters to meet the physical, emotional and spiritual needs of their community, motivating them to become active members of local, Bible-based churches. ARM assists in many ways!

Currently, ARMs are provided for home-building, church-building, children's and youth ministries, hosting prayer journeys around the Reservation with visitors from across the U.S., partnering with Apache-led churches and Tribal agencies, the distribution of Critical Care items, Bible studies and more! ARM's focus is to not only partner with our Native brothers and sisters in the ministries God has placed them in within the Reservation, but to also fill *this* ministry with Native Team members. Of the twelve on our team today, eight are from the San Carlos Apache Nation. It is our intent to seek other faith-filled Native believers to serve through this ministry as God leads and provides. We have others we're hoping to hire soon; simply waiting for others to catch this vision and assist with their monthly support.

ONLY through the Hope Christ offers can we envision a brighter future on the Reservation. We fully believe in the power of prayer and pray often! We have witnessed innumerable miracles as God has guided and provided for this ministry! What we honestly need most is **your** prayers. Thanks for reading about us and thank you for praying!

We need your help!

The Hill family receives a small salary from ARMs General Fund. To pay their bills and care for their family, we are praying for others to join in becoming a partner with them. That partnership could be financial, or perhaps simply through prayer. Having someone pray daily for them would be a precious gift. As they honestly serve in a spiritual "warzone," your partnership would be a blessing!

- I would like to become a partner in ministry with Macaiah Hill and his family:
- Through prayer through monthly financial support of _____ through gifts when able.
- Please accept this one-time gift to help with the support of the Hill family.
- I would like to invite the Jon Lawrence family to share with our church! Please email/call me at: _____
(I understand that at least a portion of the travel expenses will need to be provided by myself or others who will gather to hear what God is doing through Macaiah and his family, as well as through ARM.)

Please add me to your mailing list:

Macaiah's Return to Arizona Reservation Ministries

The relationship between Macaiah Hill and this ministry runs long, and deep.

As part of our children's and youth ministries almost from ARM's beginnings, "Mac" was eager to

learn...and to beat everyone in his neighborhood at basketball.

As the years unfolded, Mac and two close friends applied to join the ARM team as recent high school graduates in 2008. For three years, these three served together, building homes and entertaining our visiting Short-Term Ministry teams.

The other two then joined the San Carlos Fire Department, and Macaiah joined the U.S. Marines. We're very proud of Mac and his service to our country. He would re-enlist several

times but then

headed back to his Reservation in 2023. His tasks then included being hired in several positions, including the San Carlos Fire Department, and marrying his sweet bride, Juliet in the fall of 2023.

We were thrilled when Macaiah applied to join the ARM team once again to build homes and share the Hope of Christ, now equipped with the skills to lead in our construction crew in strong ways. Helping as able for the past few years, he's now working part-time with ARM, beginning in March of 2025.

Now with five children between them, their home is filled with lots of activity and love! Macailee, Malachi, Mia and baby Jocelyn, born in November of 2025! Mac and Juliett make an amazing team-through their marriage, with their children and in serving the King.
